## WORK EXPERIENCE

---

Jan 2003 – Ongoing                      Private Clinical Practice Tourrettes, France  
*Private Practice in General - Internal Medicine & Geriatrics*

I have a private practice in internal medicine and geriatrics since January 2003 here in the south of France. During the past 5 years I have been creating a specialist group practice now officially: The International Medical Centre – Provence. I serve approximately 2000 people who either live here permanently or part time. Patients come from a large area both to the east and the west in order to get medical assistance in their own language: English, Danish, Swedish, French or German. I accept patients of all ages.
